

Hi Zeljko and Darlene,

Just wanted to say another “thank you” for the couple of jobs well done for us recently. These were not major rennos, just nuisance repairs – damage to the roof due to raccoons, some shingles replacement, some new wood back steps, replace a fence post, etc. but Zeljko and his associates were so kind and helpful and did the work as if it represented thousands of dollars instead of just a few hundred. Can’t say enough about the company – would recommend them to everybody and will, of course, call on them again if needed but, hopefully, not too soon!!

Thanks again,

Molly and Virgil Jahnke
