To Whom It May Concern,

We have worked with Zeljko Stojisavljevic of Solid Wood Home Services on multiple home renovation projects. All of the work was done in a professional manner. Zeljko and his crew were neat and tidy, always leaving the job site each day in a satisfactory condition. The final clean-up of the site was thorough and met our approval.

The scope of work was varied on each project, encompassing the following:

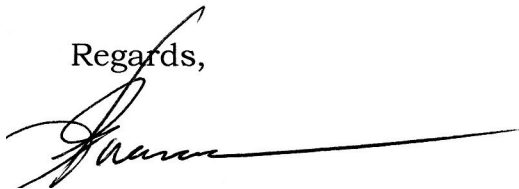

- Demolition
- Removal garbage to satisfy the strict requirements of the condo strata bylaws
- Installation of doors, framing and casing
- All related millwork – trim, crown molding, baseboards, etc.
- Removal of stipple from ceilings and prepare surface for paint
- Installation of drywall, taping, mud, etc.
- Installation of floor tile
- Creation of fireplace surround
- Installation of kitchen cabinetry
- Plumbing and installation of plumbing fixtures
- Installation and adjustment of appliance

We found that Zeljko and his crew were very courteous and maintained a good working atmosphere on the job site. Zeljko kept us informed of the progress of the work and maintained clear and complete accounting records.

All work was completed on budget and on schedule.

I am happy to recommend Zeljko and Solid Wood Home Services as a reliable, high quality, competent home renovation service provider.
