Darlene,

I wanted to write you and thank you for all the wonderful work you did renovating our apartment over the last couple of months. The crew was amazing and they worked so hard and so quickly. Everyone was very professional and the quality of the work was fantastic. We really appreciated your attention to detail with the crown moulding, the ceiling revitalization, the door sill, and the precise tiling work. Also, big thanks to Zeljko for helping us see a vision for the space that we hardly dared to hope for, and for making that vision a reality.

You all did a fantastic job and we appreciate it very much. Thank you so much. We will definitely use you again when we have another renovation project.

Sincerely,

Tom Tuma
