## **RE: Chimney Repair**

**Following a review of the contracted work performed at our complex, the Strata Council would like you to convey our “THANKS” to the crew that was on site, for a job well done.**

**We found the work and products used to be in keeping with the original quote and the crew receptive to additional maintenance, in keeping with the proposal. Those employees on the job site were neat and clean and respectful toward all Council members.**

**It was a pleasure doing business with your Company and we look forward to further involvement in similar projects, as and when the need arises.**

**Yours truly,**

**R. W. West, President**
